**2016 APPAREL EARLY RELEASE**

# ROLAND SANDS DESIGN®

Let's get back to the basics. Amazing materials, simple, clean and timeless cuts combined with the rider driven features that make a jacket your go to every time you get on your bike. Versatile and wearable off the bike means this is a jacket you will wear constantly. Owning a true motorcycle jacket that you grab when your headed out for the night is a tall order. We believe we have hit that nail on the head with many of our styles. We like to think our jackets are more than just motorcycle jackets, they become part of you. Part of your wardrobe and your life as you journey from one destination to the next. Some of our newest pieces seek to take you further with technical driven fabrics combined with heritage materials that keep you dry and warm in the harshest of conditions. Other pieces utilize well placed perforation to bring cooling where you need it most. As we move the RSD rider apparel into new territories we promise to keep it stylish, simple and wearable. See you at the next destination.

*Roland Sands*

# SP16 / MATERIALS AND CONSTRUCTION

## MAIN JACKET MATERIALS

### LEATHER

We use only the finest available hides for our leather and require all our suppliers to be REACH compliant, plus AZO and PCP free. Each RSD leather jacket receives customized treatment and handling which gives every piece its unique, one-of-a-kind finish, with an “already broken in” feel that usually takes years to achieve.

#### AIRBORNE

- Cowhide, Top Grain Leather
- .9mm- 1.1mm thickness
- Pre-oiled, washed, hand wax finish
- Water repellent

#### DAKOTA

- Cowhide, Top Grain Leather

### TEXTILE

All textiles we use for our jackets are scrutinized for durability, protection, hand feel and texture. Only the best are chosen or developed bringing each piece it's unique look and feel without sacrificing performance.

#### WAXED COTTON

- Authentic British Millerrain, 10.5 oz (final finish)
- 100% Cotton
- Water repellent
- Refinishing capable

#### RSD WAXED COTTON

- Authentic waxed cotton, 11.5 oz (final finish)
- 100% Cotton
- Water repellent
- Refinishing capable

#### DENIM

- 12.5 oz. 100% Cotton
- Yarn Dyed Denim

#### HEAVY DUCK COTTON

- 12.5 oz. 100% Cotton
- Dry tumble finish
- Water repellent

#### NYLON/POLY/COTTON

- 8 oz. 45% Cotton / 37% Polyester / 16% Nylon
- Waxed finish
- Water repellent

The RSD apparel collection borrows deeply from RSD custom bikes. With the subtle merging of motorcycling heritage and modern components, we’ve created the perfect combination of style and function. Our unique materials for main bodies utilize waxed and oiled leathers, waxed cotton, heavy duck cotton and coated cotton, plus others.

Our goal was to create a line of riding and living apparel using materials that offer excellent riding comfort and protection without sacrificing everyday wearability, even when you’re not riding.

### FIT OVERVIEW

RSD jackets are built to ride, but still retain everyday comfort. We pay extra attention to getting our fit “just right”. Our forward rotated, pre-curved sleeves, flex panels and forward rotated collar openings allow for all day riding while retaining “walk-around” comfort.

#### ● AGGRESSIVE FIT

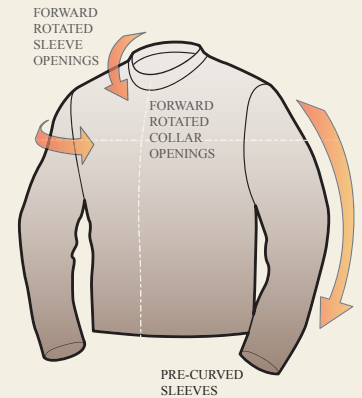

Tailored torso with precurved sleeves, conforms to riding position.

#### ● CLASSIC FIT

More room for ease of movement

#### ● RELAXED FIT

Looser fit for range of motion and comfort.

### CONSTRUCTION

We pay utmost attention to our construction methods and materials, using only the best nylon and cotton blend thread, durable seam construction and layering techniques. Extensive double stitching and proper pattern assembly ensure durability and protect. Combined with premium quality zippers and closure systems your RSD jacket should last and function hassle free for the life of the garment.
