When it comes to owning your day off-road, the quality of your gear matters just as much as the machine you ride on. Every piece of apparel is designed, tested, and validated right alongside our machines, to give you an unrivaled level of fit and performance. No matter where your next adventure takes you, you’ll find that Polaris Engineered Apparel™ will help get you there and make your time off-road unforgettable.

TENACITY 2.0 HELMET

Get high style and protection for an unbeatable value. The rugged, injection-molded Tenacity 2.0 Helmet creates a DOT and ECE certified design that weighs just 4.1lbs. Integrated venting directs airflow through the helmet and out six rear vents, to give you a cool and fogless ride.

Clear vision is critical to your off-road performance, and the 509 Dirt Pro Goggles deliver. The large frame and lens opening means you have greater peripheral vision and a clear direct line of sight. Each lens gives you distortion free views and includes an anti-scratch and anti-fog coating. 13 port venting cycles air and prevents fogging, while the hinged strap ensures a more positive fit.

PERFECT FOR COLD WEATHER RIDING!

X-OVER PANT
Small on price but big on features, the Men’s X-OVER Pant is designed for the RZR® rider who craves adventure in the cold. The X-OVER uninsulated pant features a DWR (Durable Water Repellent) shell made up of soft 600D Polyester fabric that allows maximum mobility.

BLACK | S-3XL | MT-2XLT | 2867709

X-OVER JACKET

If you’re the kind of rider who never knows where the next ride will take you, the Men’s X-OVER Jacket is built for you. The X-OVER Jacket features a new quarter-zip pullover design and a lightweight DWR (Durable Water Repellent) shell made of soft 600D Polyester fabric to keep the rider dry. Articulated elbows and a softer, 600D Polyester fabric construction make for easier movement.
